

## FULL SUPPORT IS URGED FOR MARCH OF DIMES DRIVE

"Give With All Your  
Might" Is Cry of The Na-  
tional Foundation

COST \$2,000 A CASE

Early Hospitalization and  
Expert Medical Attention  
Are Important

"Give! Give! with all your might!"  
the cry of the National Founda-  
tion for Infantile Paralysis in its  
annual "March of Dimes" campaign  
this year, which is now opening.  
The Junior Travel Club is in charge  
of the drive in the Bristol area.

"With rising prices, it is estimated  
that hospital and medical care for  
the average "polio" case approxi-  
mates \$2,000 per patient. Few fam-  
ilies can weather this financial  
storm. That's one of the important  
reasons for the March of Dimes,"  
the sponsors state.

The Southeastern Chapter, under  
which the Junior Club is working,  
retains half of the March of Dimes  
proceeds for medical and hospital  
care of infantile paralysis patients  
in need of financial aid in this sec-  
tion, it is announced. When treas-  
uries run low, money is sent from  
the fund's national headquarters.  
"Thus no one has to go without the  
best available care for lack of  
money. In all, Pennsylvania Chap-  
ters have spent more than one and  
a quarter million dollars for care  
of 'polio' patients in Pennsylvania."

The sponsors remind:

Early hospitalization and expert  
medical attention are the best  
means of minimizing crippling af-  
ter-effects of "polio." In 1938 only  
17 hospitals in Pennsylvania ac-  
cepted acute cases. By 1947, there  
were 30. In Tioga County, where  
most of the 1944 epidemic cases  
were treated at Blossburg State  
Hospital, chapters helped supply  
necessary equipment and profes-  
sional personnel to care for the  
stricken.

"Through the years the National  
Foundation chapters have spent  
\$70,531 to provide more than 16 iron  
lungs, 72 hot pack machines, six  
therapy tanks and other items of  
polio fighting equipment for hospi-  
tals in our state.

"Modern treatment of polio, with  
its stress on physical therapy, takes  
trained hands. The National Founda-  
tion sent 25 additional nurses and  
4 more physical therapists to meet  
the needs of the 1944 epidemic. The  
Philadelphia County Chapter pro-  
vided an orthopedic consultant, 20  
more nurses and 12 physical ther-  
apists who served primarily at the  
Philadelphia Hospital and at Chil-  
dren's Hospital of Philadelphia.  
The chapter still is paying for the  
continued services of the consul-  
tant and for seven physical therap-  
ists there and at Widener School  
for Crippled Children.

## Bond Sales Increase In Penna. During December

Pennsylvania's sales of U. S. Sav-  
ings Bonds, series E, F and G, to-  
talled \$42,945,875.75 for the month  
of December, 1947, as compared to  
\$31,253,929.25 in November of the  
same year.

Sales of "E" bonds for 1947 in  
Bucks county totalled \$1,951,256;  
and for E, F and G bonds, \$3,735,-  
507; and for the month of Decem-  
ber, \$185,156 in E bonds; and \$388,-  
222 in E, F and G bonds.

E. A. Roberts, state advisory  
chairman, U. S. Savings Bonds Di-  
vision, has remarked: "I am very  
well pleased with the response  
which the citizens of this State are  
giving the Savings Bond Program."  
Sales of savings bonds in Penn-  
sylvania for the entire year of 1947  
amounted to over a half-billion dol-  
lars. Redemptions of bonds in all  
classes dropped considerably dur-  
ing this period as compared to re-  
demptions in 1946.

## John Clancy, Parkland, Is A "Hit-Run" Victim

PENNDLE, Jan. 17—An elderly  
man who resides on Avenue C, Park-  
land, sustained a broken leg short-  
ly after last midnight when he was  
the victim of a hit-run accident here.

The injured: John Clancy, 78.  
Clancy is believed to have been  
crossing the Lincoln Highway here  
when he was struck by a vehicle,  
believed to be a truck. No other  
information regarding the vehicle  
has been secured by Penna. State  
Police of Langhorne barracks, who  
are investigating.

Bucks County Rescue Squad  
members removed Clancy to Naza-  
reth Hospital, Philadelphia, after po-  
lice were summoned by a passing  
motorist.

## Elcock Is Appointed To Morrisville Health Bd.

MORRISVILLE, Jan. 17—Charles  
Elcock has been named a member of  
Morrisville borough board of  
health, appointing by council pres-  
ident Harry M. Lair being con-  
firmed by the councilmen.

Mr. Elcock succeeds Howard  
Antrobus, who has moved from the  
borough. The term is five years in  
length.

Bids for wrapped or unwrapped  
garbage will be received by  
Council February 10 and bids for a  
compressor will be received the  
same day at 8 p. m. Bids for the  
water works improvements will be  
received January 26.

Councilman David Talone stated  
that chains on fire plugs had be-  
come rusted and difficult to get  
off in an emergency. It was a re-  
quest of firemen that these chains  
be loosened. Borough Engineer  
Harry H. Lee, Jr., was instructed to  
look into the matter and report at  
a later session.

Councilman Charles C. Young  
Sr., stated that Meter Patrolman  
Elmer Wiley will make collections  
every Monday. The police commit-  
tee was given authority to place a  
meter or "no parking" zone in  
front of the barber shop near the  
post office.

at the Bristol high school.

## A SUMMARY OF THE NEWS

A mysterious plane was reported  
to have dropped a bomb on a Jewish  
area near Tel Aviv early this morn-  
ing. Jewish residents of the section  
just south of Tel Aviv's Apak police  
station said that they heard the  
drone of a low-flying plane just be-  
fore an explosion which shattered  
windows in the vicinity.

The search for Jacqueline Horner,  
14-year-old stage and screen pianist,  
went into its fourth day today with  
no indication of what happened  
since she left her Hollywood home  
Tuesday afternoon. The only clew  
was the information of a ticket  
seller at the Greyhound Bus Com-  
pany's ticket office that Jacqueline  
bought a one-way ticket to San  
Francisco last Tuesday morning.

Mohandas K. Gandhi, steadily  
weakening as the result of his fast  
aimed at achieving Indian unity,  
presented a seven-point proposal to-  
day for restoring peace in his em-  
battled country. He informed his  
Minister of Education he would  
break his fast immediately if the  
seven conditions were fulfilled.

New food cuts throughout the  
Anglo-American zone of Germany  
today threatened to create more in-  
dustrial unrest, in spite of a back-  
to-work movement on the part of  
100,000 strikers in the industrial  
Ruhr. The workers were back on  
the job this morning after a 24-hour

## SET MORRISVILLE TAX RATE SAME AS IN '47

Is 15 Mills; Council Denies  
Request For Change In  
Building Ordinance

TO LICENSE TAXIS

MORRISVILLE, Jan. 17—Morris-  
ville common council has set its  
tax rate for 1948 at 15 mills, the  
same as last year. Twelve mills  
are for general borough purposes,  
two for fire tax and one for sink-  
ing fund.

The borough councilmen have  
voted to assess taxi drivers of the  
Morrisville Taxi Company \$1 for  
a local license. A new street light  
will be erected at Clymer and  
Harper Avenues and distribution  
for better lighting around the high  
school will take place with moving  
and replacing of several light poles.

Councilman David Talone re-  
ported that the ordinance commit-  
tee had held a hearing on a pro-  
posed change of ordinance to erect  
a store at the Brooks-South Penn-  
sylvania avenue corner. The com-  
mittee denied a request to have  
the ordinance changed for the  
store's erection, stating that too  
much opposition was heard from  
residents in the area. Councilman  
Talone stated that both Capitol  
View and Union Fire Companies  
had agreed to answer calls at Vic-  
tor Chemical Works. The usual  
borough procedure is for firemen  
to answer calls as far as water  
mains go. Council voted to enter  
into contract with the Victor com-  
pany for the laying of 2,400 feet of  
8-inch water main at a cost of \$7,-  
000 to be paid by Victor. It was  
stated that the phone number 3333  
was released by Charles Elcock of  
472 Stockholm avenue in order that  
it become the new fire call num-  
ber only. The new number would  
be in effect about February 1.

## Bristol Seniors Attend Session of Civil Court

Fifty-five Bristol high school  
seniors were in attendance on  
Wednesday at a session of Civil  
Court at Doylestown. They were ac-  
companied by Miss Anna Miller  
and Paul Brown, faculty members.

Judge Calvin S. Boyer, who was  
presiding at a trial, interrupted a  
second witness to point out to the  
"guests," as they were called by  
the Court, some of the points of  
court procedure.

The girls and several boys, who  
are pupils in Problems of Democ-  
racy classes, were informed by  
Judge Boyer they were observing  
the judicial branch of the govern-  
ment in action.

"We are always glad to have  
students visit the courts," Judge  
Boyer said in welcoming the dele-  
gation.

The students also visited the  
County Prison and Mercer Museum.

## PAPER-MONEY BUDGET

There is very little point in anyone trying to take the President's  
budget seriously—as a budget.

To begin with, neither of his two previous budgets came within  
shooting distance of telling in advance either what he was going to  
spend, or how much taxes would be collected. A budget that doesn't  
"budget" is a waste of time.

Moreover, the present budget doesn't even pretend to cover the ex-  
penditures he has in mind, and which he will make if Congress carries  
out his other recommendations. Only part of the foreign "relief"—"Euro-  
pean politics" would be a better name—"program is covered. He doesn't  
begin to list the true costs of the National Health, universal social se-  
curity, and other schemes he has suggested. A budget which doesn't  
really cover ALL the contemplated expenditures isn't really a budget.

Still more important, a budget means something only when it is  
written in the terms of what used to be called "hard money."

No budget is worth heeding when it comes in the midst of un-  
controlled inflation. That's obvious. If inflation continues—and it's not being  
stopped—there's hardly an item in all the telephone-book sized budget  
which won't cost more, by the time it's bought, than the budget-makers  
thought it was going to cost.

The plan of the President is simple. He proposes to spend every  
dollar during this election year, which he thinks might create an en-  
couraging "atmosphere" for his campaign for re-election—and to pay the  
bills with paper money; more can be printed if there isn't already enough  
in circulation.

The truth of the matter is that the Federal Government hasn't any-  
thing left to spend—not in the sense of actual values and "hard" money.  
It's already spent all there is, and a lot besides.

Think it over. If you had a thousand dollars in the bank, and a  
house worth five thousand dollars—how much could you spend? That's  
easy. You could spend the thousand dollars in the bank, and you could  
mortgage your house for sixty to eighty per cent of the value, and spend  
that. Then you'd be done.

That's Uncle Sam's situation, only he has been able to go a lot further  
than you could. He took his cash on hand, and juggled it around with  
inflation until he had multiplied it six to eight times, and spent that.  
Going off the gold standard was nothing more than a trick to permit  
some \$32 billions of currency to be spent by the government instead of  
the \$4 to \$6 billions we used to have.

As to the mortgage, the old-value estimate of the total worth of this  
nation, as a going concern, was \$300,000,000,000. A direct, bonded-debt  
mortgage of \$256,000,000,000 has been placed on our assets, and two or  
three times as much more hidden debts and obligations. The New Deal-  
ers have mortgaged the whole assets of the American people two or three  
times over, and spent the proceeds, and can't possibly borrow any more  
real cash on the property.

What we call inflation is nothing more than the growing realization,  
on the part of the American people, that this process has gone as far as  
it possibly can go, and much farther than it ever should have gone. In  
general, prices are high and going higher because people are losing faith  
in money—they'd rather turn their cash into something else, even if they  
have to pay too much for it.

## N. E. COUNTY BOARDS TO STUDY PROPOSALS

With View To Forming  
Joint School Board In  
Bucks Palisades Area

POPULATION OF 7250

DOYLESTOWN, Jan. 17 — All  
school boards in northeast Bucks  
County, known as the Palisades  
area have decided to study pro-  
posals in view of forming a joint  
school board. The six boards which  
had a total of 23 members at a  
meeting held in the County Edu-  
cation Building, Doylestown, re-  
presented Riegelsville Borough, and  
the townships of Durham, Tinticum,  
Springfield, Bridgeton, and Nock-  
amixon.

This Palisades area had a popu-  
lation in 1940 of 7,250. Two high  
schools are now operated in the  
area and will continue to be oper-  
ated for some time even if an area  
joint board is formed. These high  
schools are the Springfield-Durham  
at Pleasant Valley and Bridgeton-  
Nockamixon at Revere.

There are 45 teachers and prin-  
cipals now employed in these six  
districts. The total school expen-  
ditures for entire area in 1946 was  
nearly \$170,000. The school prop-  
erty in this area is conservatively  
\$214,000.

If a joint board is finally con-  
summated it is likely that all ex-  
isting property will remain as the  
property of respective districts, it  
is stated. New elementary school  
buildings, if and when they are  
provided, may also be the respon-  
sibility of individual districts. If  
a new high school building is  
erected it will however, be the  
property of entire area. It now ap-  
pears that the widest possible lat-  
titude for each district will be given  
to the respect of the operation of  
the elementary schools.

Directors expressed themselves in  
favor of eventually reducing num-  
ber of attendance areas in this  
region when such action becomes  
possible.

## VERDICT OF A JURY GIVEN IN VERNACULAR

Counter-Claim Proves Diffi-  
cult When It Comes to  
Summing Up

LAWYER 'UNTANGLES'

DOYLESTOWN, Jan. 17 — When  
the foreman of the jury, Rudolph  
H. Segletes, returned a verdict  
yesterday afternoon in an automo-  
bile damage suit which involved  
a counter-claim, he became so con-  
fused that he broke it down into  
the vernacular and said, "The jury  
wants each one to pay for their  
own damages."

Judge Calvin S. Boyer, who  
smiled, assured the jury foreman  
there is nothing more difficult  
than "framing a verdict in a  
counter-claim trial." In fact, Judge  
Boyer, speaking to one of the  
fledgling attorneys, sitting in the  
court room, said, "You untangle  
it for them."

In the first place, Florence  
Barnhart, Yeaton beautician, was  
suing Montford Frankfield and  
his son, Claire, for \$103.55.

In the second place, Montford  
and Claire Frankfield, of Rie-  
gelsville, were suing for \$140.40.

In the first action, Miss Barn-  
hart was the plaintiff and the  
Riegelsville men were the de-  
fendants. In the counter-claim the  
defendants, Montford and Claire  
Frankfield became the plaintiffs,  
and the plaintiff, Miss Barnhart,  
became the defendant.

The trial lasted about a day.  
Judge Boyer's charge to the jury  
in which he summed up the evi-  
dence of the two car crash in Rie-  
gelsville, Sept. 15, 1946, took more  
than an hour.

"That's what civil court is for  
just to straighten out a mess like  
this," said one member of the bar,  
leaving after the case was con-  
cluded.

A jury in the Bucks county civil  
court yesterday awarded Corp.  
Chester W. Reitz, of the Bethle-  
hem sub-station of State Police, a  
verdict of \$150 damages in suit  
against John Johnson, of Perka-  
sie.

The case was tried in Judge  
Hiram H. Keller's court. Corporal  
Reitz brought suit against John-  
son after the plaintiff's private  
car and the defendant's car were  
involved in a collision on Sept. 23,  
1946, on the Bethlehem Pike at the  
intersection of Rich Hill road. The  
plaintiff sued for damages to his  
automobile.

## MISS ANNA A. LATIMER

Funeral of Miss Anna A. Latimer,  
a member of the faculty of  
Collingswood, N. J., high school,  
was held on January 9th, in Phila-  
delphia. Miss Latimer, a former  
Bristol resident, and at one time  
a teacher at Bristol high school,  
was a passenger in a taxi cab in-  
volved in an accident with a truck  
in Philadelphia on December 23rd.

Apparently unhurt at the time, she  
was taken to her home, and lapsed  
into a coma. Reviving for a time,  
she lapsed into another coma on  
January 1st, death occurring on  
the 6th.

## FULL SUPPORT IS URGED FOR MARCH OF DIMES DRIVE

"Give With All Your Might" Is Cry of The National Foundation

COST \$2,000 A CASE

Early Hospitalization and Expert Medical Attention Are Important

"Give! Give! with all your might" is the cry of the National Foundation for Infantile Paralysis in its annual "March of Dimes" campaign this year, which is now opening. The Junior Travel Club is in charge of the drive in the Bristol area.

"With rising prices, it is estimated that hospital and medical care for the average "polio" case approximates \$2,000 per patient. Few families can weather this financial storm. That's one of the important reasons for the March of Dimes," the sponsors state.

The Southeastern Chapter, under which the Junior Club is working, retains half of the March of Dimes proceeds for medical and hospital care of infantile paralysis patients in need of financial aid in this section. It is announced. When treasuries run low, money is sent from the fund's national headquarters. "Thus no one has to go without the best available care for lack of money. In all, Pennsylvania Chapters have spent more than one and a quarter million dollars for care of "polio" patients in Pennsylvania."

The sponsors remind: Early hospitalization and expert medical attention are the best means of minimizing crippling after-effects of "polio." In 1935 only 17 hospitals in Pennsylvania accepted acute cases. By 1947, there were 30. In Tioga County, where most of the 1944 epidemic cases were treated at Blossburg State Hospital, chapters helped supply necessary equipment and professional personnel to care for the stricken.

"Through the years the National Foundation chapters have spent \$70,531 to provide more than 16 iron lungs, 72 hot pack machines, six therapy tanks and other items of polio fighting equipment for hospitals in our state.

"Modern treatment of polio, with its stress on physical therapy, takes trained hands. The National Foundation sent 25 additional nurses and 4 more physical therapists to meet the needs of the 1944 epidemic. The Philadelphia County Chapter provided an orthopedic consultant, 20 more nurses and 12 physical therapists who served primarily at the Philadelphia Hospital and at Children's Hospital of Philadelphia. The chapter still is paying for the continued services of the consultant and for seven physical therapists there and at Widener School for Crippled Children.

## Bond Sales Increase In Penna. During December

Pennsylvania's sales of U. S. Savings Bonds, series E, F and G, totaled \$42,945,875.75 for the month of December, 1947, as compared to \$31,252,929.25 in November of the same year.

Sales of "E" bonds for 1947 in Bucks county totaled \$1,951,256; and for E, F and G bonds, \$3,735,507; and for the month of December, \$1,851,156 in E bonds; and \$388,222 in E, F and G bonds.

E. A. Roberts, state advisory chairman, U. S. Savings Bonds Division, has remarked: "I am very well pleased with the response which the citizens of this State are giving the Savings Bond Program."

Sales of savings bonds in Pennsylvania for the entire year of 1947 amounted to over a half-billion dollars. Redemptions of bonds in all classes dropped considerably during this period as compared to redemptions in 1946.

## John Clancy, Parkland, Is A "Hit-Run" Victim

PENNDLE, Jan. 17—An elderly man who resides on Avenue C, Parkland, sustained a broken leg shortly after last midnight when he was the victim of a hit-run accident here. The injured: John Clancy, 75.

Clancy is believed to have been crossing the Lincoln Highway here when he was struck by a vehicle, believed to be a truck. No other information regarding the vehicle has been secured by Penna. State Police of Langhorne barracks, who are investigating.

Bucks County Rescue Squad members removed Clancy to Nazareth Hospital, Philadelphia, after police were summoned by a passing motorist.

Prior to his entrance into the Army, Pfc. Haardt was in attendance at the Bristol high school.

## A SUMMARY OF THE NEWS

A mysterious plane was reported to have dropped a bomb on a Jewish area near Tel Aviv early this morning. Jewish residents of the section just south of Tel Aviv's Apak police station said that they heard the drone of a low-flying plane just before an explosion which shattered windows in the vicinity.

The search for Jacqueline Horner, 14-year-old stage and screen pianist, went into its fourth day today with no indication of what happened since she left her Hollywood home Tuesday afternoon. The only clerk was the information of a ticket seller at the Greyhound Bus Company's ticket office that Jacqueline bought a one-way ticket to San Francisco last Tuesday morning.

Mohandas K. Gandhi, steadily weakening as the result of his fast aimed at achieving Indian unity, presented a seven-point proposal today for restoring peace in his embattled country. He informed his Minister of Education he would break his fast immediately if the seven conditions were fulfilled.

New food cuts throughout the Anglo-American zone of Germany today threatened to create more industrial unrest, in spite of a back-to-work movement on the part of 100,000 strikers in the industrial Ruhr. The workers were back on the job this morning after a 24-hour

## SET MORRISVILLE TAX RATE SAME AS IN '47

Is 15 Mills; Council Denies Request For Change In Building Ordinance

## TO LICENSE TAXIS

MORRISVILLE, Jan. 17—Morrisville common council has set its tax rate for 1948 at 15 mills, the same as last year. Twelve mills are for general borough purposes, two for fire tax and one for sinking fund.

The borough councilmen have voted to assess taxi drivers of the Morrisville Taxi Company \$1 for a local license. A new street light will be erected at Clymer and Harper Avenues and distribution for better lighting around the high school will take place with moving and replacing of several light poles.

Councilman David Talone reported that the ordinance committee had held a hearing on a proposed change of ordinance to erect a store at the Brooks-South Pennsylvania avenue corner. The committee denied a request to have the ordinance changed for the store's erection, stating that too much opposition was heard from residents in the area. Councilman Talone stated that both Capitol View and Union Fire Companies had agreed to answer calls at Victor Chemical Works. The usual borough procedure is for firemen to answer calls as far as water mains go. Council voted to enter into contract with the Victor company for the laying of 2,400 feet of 8-inch water main at a cost of \$7,000 to be paid by Victor. It was stated that the phone number 3333 was released by Charles Elcock of 472 Stockholm avenue in order that it become the new fire call number only. The new number would be in effect about February 1.

## Bristol Seniors Attend Session of Civil Court

Fifty-five Bristol high school seniors were in attendance on Wednesday at a session of Civil Court at Doylestown. They were accompanied by Miss Anna Miller and Paul Brown, faculty members.

Judge Calvin S. Boyer, who was presiding at a trial, interrupted a second witness to point out to the "guests," as they were called by the Court, some of the points of court procedure.

The girls and several boys, who are pupils in Problems of Democracy classes, were informed by Judge Boyer they were observing the judicial branch of the government in action.

"We are always glad to have students visit the courts," Judge Boyer said in welcoming the delegation.

The students also visited the County Prison and Mercer Museum.

## PAPER-MONEY BUDGET

There is very little point in anyone trying to take the President's budget seriously—as a budget.

To begin with, neither of his two previous budgets came within shooting distance of telling in advance either what he was going to spend, or how much taxes would be collected. A budget that doesn't "budget" is a waste of time.

Moreover, the present budget doesn't even pretend to cover the expenditures he has in mind, and which he will make if Congress carries out his other recommendations. Only part of the foreign "relief"—"European politics"—would be a better name—program is covered. He doesn't begin to list the true costs of the National Health, universal social security, and other schemes he has suggested. A budget which doesn't really cover ALL the contemplated expenditures isn't really a budget.

Still more important, a budget means something only when it is written in the terms of what used to be called "hard money."

No budget is worth heeding when it comes in the midst of uncontrolled inflation. That's obvious. If inflation continues—and it's not being stopped—there's hardly an item in all the telephone-book sized budget which won't cost more, by the time it's bought, than the budget-makers thought it was going to cost.

The plan of the President is simple. He proposes to spend every dollar, during this election year, which he thinks might create an encouraging "atmosphere" for his campaign for re-election—and to pay the bills with paper money; more can be printed if there isn't already enough in circulation.

The truth of the matter is that the Federal Government hasn't anything left to spend—not in the sense of actual values and "hard" money. It's already spent all there is, and a lot besides.

Think it over. If you had a thousand dollars in the bank, and a house worth five thousand dollars—how much could you spend? That's easy. You could spend the thousand dollars in the bank, and you could mortgage your house for sixty to eighty per cent of the value, and spend that. Then you'd be done.

That's Uncle Sam's situation, only he has been able to go a lot further than you could. He took his cash on hand, and juggled it around with inflation until he had multiplied it six to eight times, and spent that. Going off the gold standard was nothing more than a trick to permit some \$32 billions of currency to be spent by the government instead of the \$4 to \$6 billions we used to have.

As to the mortgage, the old-value estimate of the total worth of this nation, as a going concern, was \$300,000,000,000. A direct, bonded-debt mortgage of \$250,000,000,000 has been placed on our assets, and two or three times as much more hidden debts and obligations. The New Dealers have mortgaged the whole assets of the American people two or three times over, and spent the proceeds, and can't possibly borrow any more real cash on the property.

What we call inflation is nothing more than the growing realization, on the part of the American people, that this process has gone as far as it possibly can go, and much farther than it ever should have gone. In general, prices are high and going higher because people are losing faith in money—they'd rather turn their cash into something else, even if they have to pay too much for it.

## N. E. COUNTY BOARDS TO STUDY PROPOSALS

With View To Forming Joint School Board In Bucks Palisades Area

POPULATION OF 7250

DOYLESTOWN, Jan. 17—All school boards in northeast Bucks County, known as the Palisades area have decided to study proposals in view of forming a joint school board. The six boards which had a total of 23 members at a meeting held in the County Education Building, Doylestown, represented Riegelsville Borough, and the townships of Durham, Tinticum, Springfield, Bridgeton, and Nockamixon.

This Palisades area had a population in 1940 of 7,250. Two high schools are now operated in the area and will continue to be operated for some time even if an area joint board is formed. These high schools are the Springfield-Durham at Pleasant Valley and Bridgeton-Nockamixon at Revere.

There are 45 teachers and principals now employed in these six districts. The total school expenditures for entire area in 1946 was nearly \$170,000. The school property in this area is conservatively \$214,000.

If a joint board is finally consummated it is likely that all existing property will remain as the property of respective districts. It is stated, New elementary school buildings, if and when they are provided, may also be the responsibility of individual districts. If a new high school building is erected it will however, be the property of entire area. It now appears that the widest possible latitude for each district will be given to the respect of the operation of the elementary schools.

Directors expressed themselves in favor of eventually reducing number of attendance areas in this region when such action becomes possible.

## Borough Problems Are Discussed By Sorosis

LANGHORNE, Jan. 17—An all-day session of Langhorne Sorosis was conducted Thursday in the Langhorne Library, with morning hours devoted to business, then afternoon luncheon a program being presented by the legislation committee of which Mrs. Charles Paxson is chairman.

During the program, members discussed problems of borough operation. They expressed concern over policing situation locally, feeling that an officer should be engaged to serve full-time. Possibility of having certain streets completed was brought up; also that of having a traffic light placed at the intersection of Maple and Bellevue avenues.

Then, going into national affairs, members discussed the Marshall Plan for relief in Europe. A debate on national conscription was participated in by Mrs. Allan Benedict and Mrs. Franklin Pennell.

Mrs. Harry Ridge presiding during business.

## VERDICT OF A JURY GIVEN IN VERNACULAR

Counter-Claim Proves Difficult When It Comes to Summing Up

## LAWYER 'UNTANGLES'

DOYLESTOWN, Jan. 17—When the foreman of the jury, Rudolph H. Siegler, returned a verdict yesterday afternoon in an automobile counter-claim, he became so confused that he broke it down into the vernacular and said, "The jury wants each one to pay for their own damages."

Judge Calvin S. Boyer, who smiled, assured the jury foreman there is nothing more difficult than "framing a verdict in a counter-claim trial." In fact, Judge Boyer, speaking to one of the fledgling attorneys, sitting in the court room, said, "You untangle it for them."

In the first place, Florence Barnhart, Yeaton beautician, was suing Montford Frankfield and his son, Claire, for \$103.55.

In the second place, Montford and Claire Frankfield, of Riegelsville, were suing for \$140.49.

In the first action, Miss Barnhart was the plaintiff and the Riegelsville men were the defendants. In the counter-claim the defendants, Montford and Claire Frankfield became the plaintiffs, and the plaintiff, Miss Barnhart, became the defendant.

The trial lasted about a day. Judge Boyer's charge to the jury in which he summed up the evidence of the two car crash in Riegelsville, Sept. 15, 1946, took more than an hour.

"That's what civil court is for just to straighten out a mess like this," said one member of the bar, leaving after the case was concluded.

A jury in the Bucks county civil court yesterday awarded Corp. Chester W. Reitz, of the Bethlehem sub-station of State Police, a verdict of \$450 damages in suit against John Johnson, of Perkasie.

The case was tried in Judge Hiram H. Keller's court. Corporal Reitz brought suit against Johnson after the plaintiff's private car and the defendant's car were involved in a collision on Sept. 23, 1946, on the Bethlehem Pike at the intersection of Rich Hill road. The plaintiff sued for damages to his automobile.

MISS ANNA A. LATIMER

Funeral of Miss Anna A. Latimer, a member of the faculty of Collingswood, N. J., high school, was held on January 9th, in Philadelphia. Miss Latimer, a former Bristol resident, and at one time a teacher at Bristol high school, was a passenger in a taxi cab involved in an accident with a truck in Philadelphia on December 23rd. Apparently unhurt at the time, she was taken to her home, and lapsed into a coma. Reviving for a time, she lapsed into another coma on January 1st, death occurring on the 6th.

## Officers Are Installed For Senior-Junior Grange

QUAKERTOWN, Jan. 17—When a Grange session was held here on Tuesday evening, officers for Richland Grange and the Juvenile Grange were chosen.

The ceremony was performed by State Grange Deputy Mahlon Stage, Springtown, who was assisted by Mrs. Stage, Miss Marjorie Stage, and Miss Lillian Andre, also of Springtown, members of Franklin Grange.

Officers of Richland Grange installed follow: Marvin Risenberger, master; Ralph Koehler, overseer, both of whom had been re-elected after serving a year; Lyman D. Kohler, lecturer; Erwin Miller, Jr., assistant lecturer; Samuel F. Cavanaugh, steward; Mrs. Lillie Fretz, chaplain; Cornelius T. Loux, treasurer; Mrs. Laura Loux, secretary; Miss Kern Koehler, Ceres; Miss Katherine Hanseman, Pomona; Miss Jennie Berner, Flora; Mrs. Martha Hunscher, lady assistant steward, and Paul Loux, member of executive committee.

## COUPLE MARRIED HERE JOURNEY TO CAPITAL

Francis J. Murray, Bath St., and Ruth Gelnett, Mill St., Wed Today

## A CHURCH CEREMONY

A couple wed in St. Mark's R.C. Church this morning at 10 o'clock will spend a week's honeymoon at Washington, D. C.

The bride, Miss Ruth A. Gelnett, daughter of Mrs. Rena Gelnett, of 208 Mill street, was escorted to the altar by her uncle, Mr. James S. Dempsey, Philadelphia, there to become the wife of Mr. Francis J. Murray, of 573 Bath street. The Rev. Albert Glass performed the nuptial Mass, at the conclusion of which there was a dedication to the Blessed Mother. Serving as organist was Miss Katherine Keating, of Linden street, she providing the accompaniment for the vocalists who were Mrs. Alice Chelton and Mr. Percy G. Ford.

An off-white gown of broadened satin was the selection of the bride, it having long sleeves with wide cape effect at the shoulders, sweetheart neckline, and train. A pearl head-piece held a finger-tip veil, and her arm bouquet was made up of white roses.

Miss Mary O'Donnell, Swain street, the maid of honor, was attired in a gown of light blue taffeta, and carried pink roses; and the bridesmaid, Miss Doris Schreiber, Pine street, wore a pink satin gown and carried red roses. Both young women wore long gloves to match their gowns, and braided head-dress of each matched her costume.

Mr. Jeremiah Murray, Bath street, was best man for his brother; and ushers included Messrs. Theodore Fitzgeorge, Trenton, N. J., and Francis Roarty, of Bristol.

A wedding breakfast followed at the Keystone Hotel. Travelling costume of the bride included a green suit, matching hat, black accessories, and a gray top coat on which she wore an orchid.

The newlyweds will reside with the bride's mother, Mrs. Murray is a graduate of Nanty-Glo high school.

## 85,306,000 Cubic Feet Of Gas Used in One Day

The Philadelphia Electric Company today announced that on Thursday, January 15th, the gas "send-out" in the territory served by the company's system was 85,306,000 cubic feet of gas, setting a new record. The old record, 84,589,000 cubic feet, was made on February 5th, last.

The company also established a new hourly "send-out" record the same day of 4,621,000 cubic feet.

The Philadelphia Electric Company, with principal gas production plants at Chester and West Conshohocken, serve 156,000 residential, commercial and industrial users in Montgomery, Bucks, Delaware and Chester counties.

## PUBLICITY GETS PROTECTION FOR SCHOOL CHILDREN

W. Earl Smith, Bristol, Addresses Justices of Peace Association

## MEET IN DOYLESTOWN

Lawrence A. Monroe, Esq., is Another Speaker at the Meeting

DOYLESTOWN, Jan. 17—Speaking to about 25 justices of the peace and guests, Thursday evening, W. Earl Smith, Bristol textile consultant, said: "I know that a traffic officer has been stationed at a 'death trap' crossing in Crofton to provide protection for the children when the public and parochial schools are dismissed."

Smith declared that newspaper publicity in Bucks county's two daily newspapers, The Doylestown Intelligencer and The Bristol Courier, made civic and law enforcement officials aware of the Crofton "death trap."

"Whether the man on duty is a policeman or a fire policeman, I don't know. I do know that he wears a white cap and directs the hundreds of children safely across the dangerous crossing," Mr. Smith said.

Another guest, Lawrence A. Monroe, a member of the Bucks County Bar and solicitor for the County Controller, and a Bristol attorney, speaking on the effect of the new fee bills for Justices of the Peace and constables, said: "Any Justice of the Peace or constable elected or re-elected during the 1947 election is entitled to take his fees under the 1947 fee bill. Others will be governed by prior legislation.

"Fees are a matter of law and legislation, and since the County Controller must be governed by the law, there is nothing he can do about it."

Joseph A. Keating, of Langhorne, formerly a vice-president of the Penna. State Magistrates' Association, who has been named by the State organization to organize J. of P. associations in Northampton, Carbon, Pike and Wayne counties, spoke of the difficulties.

"In some of those upstate counties, Pike, for instance, there are only nine or ten 'squires, and I have contacted the Judges of those counties to assist in organizing them along the lines of our county organization," Justice of the Peace Keating said.

Bucks County Prison Warden Earl D. Handy, who was a guest, invited the J. of P.s to meet at the prison any time they wished. "I must say the commitments are coming through in much better shape. Sometimes there is no indication where the defendant is to be held for a hearing or whether he is committed to prison indefinitely."

Guests included District Attorney Edward G. Biester, Assistant District Attorney Willard S. Curtin, William J. Wilson, a member of the Philadelphia Bar; Chief of Police Steward A. Munro, of Warminster township; Tipstaff Gideon Gehman, Hilltown township; and W. Lester Trauch.

President David E. Applegate, Churchville, said: "We need the new Justices of the Peace just as they need us." Secretary William Carlin, Chalfont, urged each of the 17 members of the minor judiciary present, to obtain one more new member.

## Past Presidents of Bracken Post Auxiliary Organize

A meeting for organization of past presidents of the American Legion Auxiliary, Robert W. Bracken Post, 382, was held Wednesday evening.

Officers elected are: Honorary president, Mrs. Fred Leiffrid, Philadelphia, who was first president of Unit 382 organized in 1922; president, Miss Elizabeth Rafferty; secretary-treasurer, Mrs. Benjamin Lesseig, of Tullytown.

It was decided the presidency will successively be filled annually by members in the order in which they had served the unit as president. The new organization will hold a meeting Wednesday, February 18th, at 7:30 p. m. in the post home.

### Today's Quiet Moment

By the Rev. Theodore Kohlmeier  
Pastor  
St. Luke's Lutheran Church  
Croydon, Pa.

"Come Lord Jesus be Thou our Guest and let Thy gifts to us be blessed." With these words we would implore Thee, O Lord, to come into our individual homes with Thy grace and blessing. Without Thee the home is dull and lifeless. With Thee present, the unseen, the home is cheerful and carefree. Come then, Lord Jesus, abide with us and make ours truly Christian homes. Remove all profanity and lewdness and strife and envy and replace these with love and faith and good will. Lord hear us for Thy name's sake. Amen.

A son was born to Mr. and Mrs. Richard Miller, Bristol Terrace II in Hahnemann Hospital, Philadelphia, on Wednesday. The new arrival weighed 6½ lbs. and has been named Richard James. Mrs. Miller is the former Miss Alice Pierce, of California.

Harold Fetz, Fleetwings Road; William Bell, Wood street, and Miss May Kiggs, Mayfair, spent the weekend visiting their grandparents, Mr. and Mrs. James Cook, Wilkesburg.

On Wednesday evening, Mrs. William McDonnell was hostess at a pinocle party at her residence on Bath road. Prizes for high scores were given to: Mrs. George Bailey, Sr., and Mrs. Charles Milner. Refreshments were served. Others attending: Mrs. Carl Vetter, Sr., Mrs. William Vetter, Miss Anne McDonnell, Mrs. Alfred Griffiths, Mrs. Wesley Subers, and Mrs. Harry Hughes.

Mrs. Janet Maier, of Bristol Heights, was removed to the Penna. University Hospital on Tuesday for treatment for appendicitis.

Edward Glover, Bristol Heights, has returned home after spending a few days with Mr. and Mrs. Charles Gleason, Philadelphia.

Members of the Rohm & Haas Sewing Circle met at the clubhouse on Wednesday evening. A short business meeting was conducted by the president, Mrs. Wallace De Witt. It was decided to conduct a theatre party at New Hope in June instead of in February at Philadelphia as was formerly decided.

The rest of the program was in the form of an amateur night with Mrs. Elizabeth Landers and Mrs. Lillian Edwards serving as chairman and mistress of ceremonies, respectively.

Refreshments were served by the hostess committee composed of: Mrs. Charles Beckworth, Mrs. Stanton Kelton, Mrs. Dorothy Brown and Mrs. Harry Neher.

William Moyer is a patient in Abington Hospital. His home is on Beaver Dam road.

The Jolly Helpers, who form Circle 7 of Bristol Presbyterian Women's Guild, will meet Monday evening at 7:30 in the church, under leadership of Mrs. John Devine.

In honor of her wedding which will occur this afternoon, Miss Edna Downs, 635 New Buckley street, was feted at a shower of miscellaneous gifts on Wednesday evening. The affair was arranged by

her aunt, Mrs. Arthur White, and held at 635 New Buckley street. Refreshments were served buffet style. Those attending: Mrs. William White, Mrs. James Dugan, Mrs. William Tomlinson, Mrs. Charles Saxon, Mrs. Michael Downs, Mrs. Paul White, Mrs. Arthur White, the Misses Mabel Mitchell, Isabel Downs, Elizabeth Booz, Bristol; Doris Tyler, Alice Keates, Croydon.

**New power for your BUICK!**

**Today's Power, Today's Performance,  
Today's Zip — for Buicks  
up to Ten Years Old!**

MAYBE this sounds too good to be true. But it's a fact!

Even if your Buick dates back as far as 1937, you can have a hoof of factory-fresh Fireball power—a sleek new power plant that's the same as the engines going into the latest Buick cars.

Everything about it is brand-new. A new carburetor and air cleaner help make every drop of fuel give up all its power. A new distributor, complete with vacuum and centrifugal advance, puts new snap in your get-away and new pep in all driving. A whole new wiring harness prevents electrical loss. And tucked in the flywheel housing is a new smoothie of a clutch that'll make driving more fun than ever.

Yes, it's all new, with the latest Buick engine features you read about—like precision cylinder boring, Oil-Miser rings, Stratoflow cooling and so on.

You can get a new engine like this because engine production is not held back by the shortage of sheet steel which limits complete-car production.

So we're able to put one of these

honey into your car and make it young again—give it new power and performance that will get you set for thousands and thousands more carefree miles.

How much does it cost? Not nearly what you'd expect—often less than a comprehensive overhaul. And it's a mighty good investment because it makes your car worth so much more when it comes time to turn it in.

Nice proposition, isn't it? Surely worth talking over. Won't you come in and let us give you all the details?

## Past Presidents of Bracken Post Auxiliary Organize

A meeting for organization of past presidents of the American Legion Auxiliary, Albert W. Bracken Post, 382, was held Wednesday evening.

Officers elected are: Honorary president, Mrs. Fred Leiffred, Philadelphia, who was first president of Unit 382 organized in 1922; president, Miss Elizabeth Rafferty; secretary-treasurer, Mrs. Benjamin Lesseig, of Tullytown.

It was decided the presidency will successively be filled annually by members in the order in which they had served the unit as president. The new organization will hold a meeting Wednesday, February 18th, at 7:30 p. m. in the post home.

## WARRIORS EASILY SCORE WIN OVER SOUTHAMPTON

SOUTHAMPTON, Jan. 17.—Southampton High scored only three field goals against the Bristol High Warriors last night as the Bristolians chalked up their third straight win of the Lower Bucks County League. Final tabulations read: Bristol, 58; Southampton, 19.

Fine defensive playing of the Warriors stood out in the contest. In the second and fourth periods, the Southampton team was blanked from the floor and from early in the first quarter until mid-way in the third the only Southampton goal was made by Stockie.

The losers, however, made 13 points via the foul line, converting that many free shots in 22 tries. Bristol had a 33-8 lead at the half-time whistle.

Joe Natale, Val Bielecki, and Dave Morrell played fine defensive ball for the Warriors, while offensively it was "Jimmy" Sottile and "Johnny" Pindar who had many "duck" shots on passes from the other players. Sottile had 23 points and Pindar, 14.

The Bristol High junior varsity squad added another win to its list by wallopping the Southampton Jayvees, 41-19. This game was one-sided from start to finish with the Junior Warriors being out in front by a 20-4 count mid-way in the contest.

"Mickey" Downs and "Billy" Condit played best offensively and defensively, respectively, for the winners, while Cresce was the losers' best.

The two Bristol teams will seek their fourth straight wins against the Alumni teams tonight on the high school floor.

Three additional players on the Alumni team include: "Danny" DiMido, "Chick" DiAngelo, and "Eddie" Mazzanti.

## CROYDON "VETS" FALTER AND LOSE TO ROHM & HAAS

The Croydon Vets almost upset the apple-cart last night in the Bristol Basketball League. Up until one minute to play, they held their own and were battling the Rohm & Haas team on even terms when they suddenly faltered and the chemical mixers captured the game, 53-47.

It was the eighth straight loss for the Vets and by far their best game of the season. "Tommy" Forte had deadlocked the score with a side shot and shortly after both Jones and Forte missed shots that would have put the Vets ahead but at the time the score was 47-47.

The timers' watch read one minute left to play when Carl Bontemps and "Angie" Everett scored the goals which decided the issue.

Bontemps and Everett scored 33 points between them while Eddie Lavery and Forte scored 27 of the Vets' points. But standing in the "spot-light" was the ball-handling of Bob Jones of the losing team.

## BENSALEM TAKES BUCKINGHAM FIVE INTO CAMP, 52-40

DOYLESTOWN, Jan. 17.—Bensalem won its first game of the Lower Bucks County League by taking the Buckingham High five into camp last night, 52-40, on the Armory floor. The Bensalem Jayvees were also victorious by an overwhelming 44-8 score.

The "Bucks" gave "Johnny" Slavens a hard tussle for three quarters and it wasn't until the last session got under way that the Owls began to pull away from their opponents. The Buckingham team had the edge by one point at half-time, 24-23.

"Al" Bader starred for the Owls in the varsity game with Smith being outstanding in the Junior Varsity tilt.

## STRONG ALUMNI TEAM TO BATTLE WARRIORS TONIGHT

The strongest Alumni team in years will face the Bristol High Warriors tonight in varsity and junior varsity games on the high school floor. It will be the "home-coming game" for the Alumni with the first tilt starting at 7:30 o'clock. Dancing will follow the game.

The Alumni players are requested to report at the high school "gym" at 6:45 o'clock at which time Alumni Managers Thomas Juno and Art Grimes will assign them to positions.

A list of the players who have consented to play for the Alumni include: Joe McDevitt, Bill McGerr, Joe Elmer, Horace Saxton, Bob Monti, "Easy" Mama, "Al" Burton, "Stan" Ledinski, "Reds" Feole, "Toby" Oriola, Mayo Scancellia, "Sonny" Fields, John Fuoco, John Gullatto, John Messinella, Joe Embess, "Howie" Keyes, Bill Myers, "Eddie" Feehan, and "Johnny" Centonze.

The Warriors, remembering the close games played by the Alumni last season, will be in top form and intend to run the older players off their feet. The Alumni players are mostly players from the Bristol Basketball League and are in fine condition but have not played together.

## 5TH WARD STILL IN DEADLOCK FOR THE FIRST PLACE

The Fifth Ward Sporting Club remained in a deadlock with Rohm and Haas for first place in the Bristol Basketball League with a 57-43 triumph over the Falls Alumni quintet last night on the high school court.

Failure to maintain an early lead caused the Fallsington team to go down to defeat. The Alumni lads scored 12 points before the Fifth Ward team could get scoring. It was fully seven minutes before the Warriors scored a point and 8 minutes before they made a field goal.

However, despite this slow start, the Warriors managed to eke out a 24-21 lead at half-time and increased this in the third period and made it a runaway in the final period.

The Carnvale brothers, Pat and Vally, stood out in the Fifth Ward victory both offensively and defensively while "Ken" Parr and "Norm" White had 10 points each for Falls.

303 men and women throughout the nation have been awarded national scholarships and fellowships to equip them for service in research laboratories, hospitals, clinics and the homes of polio patients. Of these, 893 scholarships were in the field of physical therapy alone. Seventy-seven Pennsylvanians received them.

"Five hundred and forty grants for research and professional training in 83 universities, hospitals and institutions in the United States have been financed by March of Dimes Funds since 1938.

"Pennsylvania is an important link in this chain of projects. Virus research is being conducted at the University of Pennsylvania and in addition, grants have helped establish and maintain a new center there for instruction and research in physical medicine. Scientists at Pittsburgh are seeking to learn chemical and physical nature of the virus so that others may be able to develop a drug or vaccine to combat polio and at Children's Hospital in Philadelphia, nutrition is being studied to determine the relationship of diet to polio susceptibility.

## WARRIORS EASILY SCORE WIN OVER SOUTHAMPTON

SOUTHAMPTON, Jan. 17.—Southampton High scored only three field goals against the Bristol High Warriors last night as the Warriors chalked up their third straight win of the Lower Bucks County League. Final tabulations read: Bristol, 58; Southampton, 19.

Fine defensive playing of the Warriors stood out in the contest. In the second and fourth periods, the Southampton team was blanked from the floor and from early in the first quarter until mid-way in the third the only Southampton goal was made by Stockie.

The losers, however, made 13 points via the foul line, converting that many free shots in 22 tries. Bristol had a 33-8 lead at the half-time whistle.

Joe Natale, Val Bielecki, and Dave Morrell played fine defensive ball for the Warriors, while offensively it was "Jimmy" Sottile and "Johnny" Pindar who had many "dunk" shots on passes from the other players. Sottile had 23 points and Pindar, 14.

The Bristol High junior varsity squad added another win to its list by walloping the Southampton Jayvees, 41-19. This game was one-sided from start to finish with the Junior Warriors being out in front by a 20-4 count mid-way in the contest.

"Mickey" Downs and "Billy" Condit played best offensively and defensively, respectively, for the winners, while Cresce was the losers' best.

The two Bristol teams will seek their fourth straight wins against the Alumni teams tonight on the high school floor.

Three additional players on the Alumni team include: "Danny" DiMido, "Chick" DiAngelo, and "Eddie" Mazzanti.

## BENSALEM TAKES BUCKINGHAM FIVE INTO CAMP, 52-40

DOYLESTOWN, Jan. 17.—Bensalem won its first game of the Lower Bucks County League by taking the Buckingham High five into camp last night, 52-40, on the Armory floor. The Bensalem Jayvees were also victorious by an overwhelming 44-8 score.

The "Bucks" gave "Johnny" Slavens a hard tussle for three quarters and it wasn't until the last session got under way that the Owls began to pull away from their opponents. The Buckingham team had the edge by one point at half-time, 24-23.

"Al" Bader starred for the Owls in the varsity game with Smith being outstanding in the Junior Varsity III.
